PLEASE NOTE

- Real estate-secured loans, lines of credit, balloon notes, and credit cards are excluded from this program.
- Interest will continue to accrue on all outstanding loan balances.
- All loans must be current, and all payments must have been paid on time in 2024.
- Automatic payments setup via the online loan payment portal or another financial institution may need to be canceled for the month being skipped and re-established for the next due date.
- On new loans, at least six full payments must have been made to take advantage of the Skip-A-Payment promotion.
- This card must be returned 15 days prior to the scheduled due date of the loan requested to skip.
- Taking advantage of the Skip-A-Payment promotion will extend the maturity date of your loan by one month and will increase the total finance charges associated with the loan account.
- If you have GAP (Guaranteed Asset Protection) coverage, skipping a payment will not extend your protection and may result in exposure to a balance due upon total loss of your vehicle.
- If you have any questions, please contact us at (940) 720-8000.
